

3 Courses

Generative AI: Introduction and Applications

Generative AI: Prompt Engineering Basics

Grow with AI: Your AI-driven Growth Marketing strategy

May 9, 2026

Rajendra Shivanna

has successfully completed the online Specialization

Generative AI for Growth Marketing

Learners completing this specialization will gain a practical understanding of how to apply Generative AI and automation tools across the entire marketing funnel. They will have developed a strategic marketing campaign powered by AI, created original content, and implemented customer segmentation and performance tracking strategies. This certificate confirms their ability to design and execute AI-powered marketing solutions in modern business contexts.
